Subject: Successful completion of a Dynamic Short Circuit Test for its Inverter Duty Transformer at CPRI (Central Power Research Institute).

Ref.: **Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015**
("Listing Regulations")

Pursuant to Regulation 30 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, please find enclosed herewith a copy of the Press Release titled "Accord Transformer & Switchgear successful completion of a Dynamic Short Circuit Test for its 17.6 MVA, 33kV / 4x660V Inverter Duty Transformer at CPRI (Central Power Research Institute)."

A copy of the same will also be uploaded on the Company's website. <https://atsgroup.in/>

You are requested to kindly take the same on your record.

Thanking you,

For **Accord Transformer & Switchgear Limited**

Accord Transformer & Switchgear Ltd
Accord Transformer & Switchgear Ltd Achieves Major Technological Milestone
with Successful Dynamic Short Circuit Test

Mumbai, India, April 29, 2026: Accord Transformer & Switchgear Ltd has successfully completed the Dynamic Short Circuit Test for its 17.6 MVA, 33kV / 4x660V Inverter Duty Transformer, marking a significant milestone in the company's engineering and manufacturing journey.

The rigorous test was conducted at the prestigious Central Power Research Institute (CPRI), validating the transformer's ability to withstand extreme electrical stress conditions. This achievement underscores the company's commitment to delivering high-performance, reliable, and future-ready power solutions for demanding industrial and renewable energy applications.

Key Highlights of the Achievement

- Demonstrates robust design and strong engineering capabilities
- Successfully meets stringent national testing standards
- Enhances reliability for critical industrial and renewable energy deployments
- Strengthens positioning in the power infrastructure and inverter-duty transformer segment

The successful testing reinforces the product's durability and operational reliability, making it well-suited for high-stress environments and mission-critical applications.

Strategic Significance

This milestone reflects Accord Transformer & Switchgear Ltd's continuous focus on innovation, quality assurance, and adherence to industry-leading standards. With increasing demand for reliable and efficient power equipment, especially in renewable energy and industrial applications, the company remains well-positioned to capitalize on emerging opportunities.

The accomplishment also highlights the dedication and expertise of the company's engineering and technical teams, who have consistently worked towards delivering advanced and dependable solutions.

About Accord Transformer & Switchgear Ltd

Accord Transformer & Switchgear Ltd is engaged in the manufacturing of transformers and power equipment, catering to a wide range of industrial and infrastructure applications. The company focuses on delivering high-quality, efficient, and technologically advanced solutions, supported by strong engineering capabilities and a commitment to excellence.
